

# MOHAMMED AKMAL SHARAF

## STUDENT

### OBJECTIVE

---

To utilize my technical and management skills for achieving the target and developing the best performance to the workplace. I would like to implement my innovative ideas, skills and creativity for accomplishing the goals. The sincerity and my hard work will tell who I am. Never lose hope. Never fail to upgrade my self with the new technology and skills. Never felt shy to make mistakes and never felt to learn from the mistakes.
